## Welcome Message from the Chair of the Board of Directors of the Asia-Pacific Management Accounting Association (APMAA)

**Susumu Ueno**

Chair, Board of Directors, Asia-Pacific Management Accounting Association

Professor Emeritus, Konan University, Japan

<http://apmaa.org/APMAA/>

The Asia-Pacific Management Accounting Association (APMAA) holds its 15th Annual Conference (APMAA 2019) at Qatar University (OU), in Doha from November 2nd (Saturday) to 5th (Tuesday), 2019. The conference is organized by the College of Business and Economics (CBE), Qatar University, under the leadership of Dr. Khalid Al- Abdulqader and Dr. Mohammed Elgammal, Chairs of the APMAA 2019 Annual Conference Organizing Committee. This is the first time for APMAA to hold its annual conference in Qatar and in the Middle East. Qatar is a high-income economy, backed by the world third-largest natural-gas reserves and oil reserves. The country is classified by the UN as a country of very high human development. Qatar will host the 2022 FIFA World Cup.

Qatar University is the main state university in Qatar, hosting nine colleges with a population of over 20,000 students. The University has a growing number of specialists, Masters and Ph.D. programs, and enjoys multiple significant research successes. In fact, the university ranked at No. 393 in the 2018 QS World University Ranking. We, directors of APMAA, are all excited about having APMAA 2019 at Qatar University, the most respected university in Qatar.

The Asia-Pacific Management Accounting Association, founded in 2004, has grown into one of the world's leading associations of scholars and specialists in the field of management accounting. The main goal of the APMAA annual conference is to bring together researchers and practitioners to exchange theories, ideas, techniques and experiences relating to all aspects of management and business accounting. Our annual conferences provide a very good opportunity for our members to interact face-to-face with experts from all over the world.

Qatar University applied to be the APMAA 2019 conference venue at the APMAA 2015 board meeting held at Warmadewa University Bali, Indonesia, and we unanimously approved. Immediately after receiving an approval notification, the conference organizing team at the CBE started to prepare for APMAA 2019. I would like to express my sincere appreciation to the dedication of all organizing team members in making this conference an attractive one. I am confident that the APMAA 2019 conference, with the main theme of the conference, "Management Accounting and Finance in the 21st Century: Challenges and Perspectives," will fascinate participants from all over the world. There is no doubt that the conference in Doha will be one of the most fantastic and impressive meetings in APMAA's history.

I am looking forward to seeing you at Qatar University in November 2019.

Best regards,

## Words from the APMAA 2019 Conference Chairs

**Dr. Khalid Al-Abdulqader**

Chair of APMAA Doha 2019 Conference  
Qatar University

**Dr. Mohammed Elgammal**

Chair of APMAA Doha 2019 Conference  
Qatar University

It is a great pleasure to see our association growing internationally and accommodating researchers from other areas related to management accounting applications, like finance and management. On behalf of organizing committee, we are pleased to invite you to the APMAA 15th annual conference in Doha that will be hosted by the College of Business and Economics, Qatar University.

Since it is the first time for the APMAA conference to take place in the Gulf region, we are enthusiastic and eagerly working with the APMAA Board and International Scholars to make the APMAA 2019 conference an international destination for Accounting and Finance scholars. The main theme of the conference will be “Management Accounting and Finance in the 21st Century: Challenges and Perspectives”. Manuscripts covering topics related to management accounting and finance will also be welcomed. They can be theoretical, teaching-based or practice-oriented.

The scope of the APMAA 2019 conference is to disseminate the new theoretical and practical developments in management accounting and managerial finance of the 21st century with particular attention to Asia-Pacific and GCC accounting issues. In fact, the oil-based economy is in transition to a more sustainable knowledge-based economic model. This transformation creates an eager motivation to actively investigate contemporary issues related to management accounting and finance.

We hope the APMAA 2019 conference will be an opportunity for you to have a productive and valuable experience in Doha. Meanwhile, we are looking forward to seeing you in November 2019.

## 2019 Doctoral Colloquium Call for Papers

The main objective of the APMAA 2019 Doctoral Colloquium is to offer an opportunity for Doctoral students to receive high-quality feedback from external reviewers and to directly interact with peers, exchange ideas, discuss concepts, and establish (in) formal cooperation with various research groups. Doctoral students and candidates at all stages are welcome to submit a thesis-position paper, but preference will be given to students in the earlier stages of their doctoral work. Participants will be expected to give short and informal presentations of their work during the Colloquium, to be followed by a panel-like discussion.

Doctoral students interested in participating on the doctoral colloquium should submit a single PDF file consisting of:

- 1 A one-page research statement on the research field you will pursue. If you are at the doctoral dissertation stage, this statement should focus on the dissertation.
2. A letter of recommendation from your primary dissertation advisor, who should state what you could contribute as well as gain from the doctoral consortium.
3. Your paper (The text should be about 4,000- 8,000 words.).

Your paper for the APMAA 2019 Doctoral Colloquium submitted paper should clearly state:

- An overview of related work in the area of the doctoral work
- The original key idea/hypothesis of the thesis
- The problem domain and the specific problem addressed
- Methodological approach
- The expected contributions
- Research carried out

The colloquium chairs will arrange the selection of the accepted papers using a peer review process. The accepted papers will be published in the Doctoral Colloquium proceedings. At least one of the authors should register (pay the participation fee) for the conference before September 15<sup>th</sup>, 2019 and attend as well as present the paper in the conference. Otherwise, the paper will not be included in the conference program and proceedings.

In addition, the colloquium will offer 4 workshops for PhD students

- Session 1: Qualitative research methods for business students, Dr. Fadi Alkaraan, University of Lincoln.
- Session 2: Quantitative research methods for business students, Professor Basil Al-Najjar, Huddersfield University and Professor Aziz Jaafar Director of PhD program at Bangor Business School.
- Session 3: Current topics in Accounting and Finance, Professor Khaled Hussainey, University of Portsmouth and Professor David McMillan, Stirling University.
- Session 4: How to write a high-quality PhD thesis? Professor Sabri Boubaker, South Champagne Business School, France

### **Call for Papers for a special Issue Int. J. of Accounting, Auditing and Performance Evaluation**

APMAA-DOHA2019: Special Issue on: “Management Accounting and Finance in the 21st Century: Challenges and Perspectives”

Guest Editors:

Prof. Mostafa Kamal Hassan and Associate Prof. Mohamed Z. Elbashir, Qatar University, Qatar

For this special issue, manuscripts covering any topical area of management accounting and finance will be welcome. Manuscripts can be theoretical, teaching- or application-based. The issue will focus particularly on Asia-Pacific and Gulf Cooperation Council accounting issues. In fact, the Gulf Cooperation Council countries, since they were oil-based economies, are now in transition towards a more sustainable knowledge-based economic model. This transformation creates the need to actively investigate contemporary issues related to management accounting and finance in the region. The issue will carry revised and substantially extended versions of selected papers presented at the Asia Pacific of Management Accounting Association (APMAA) Doha-Conference 2019, but we are also inviting other experts to submit articles for this call.

#### **Subject Coverage**

Suitable topics include, but are not limited, to the following:

- Strategic management accounting
- Performance measurement
- The role of management accountants in different organizations
- Business ethics and internal control
- Business reporting and communication
- Islamic accounting and Islamic finance

## APMAA 2019 Conference News (January 10, 2019 Issue)

- Financial markets and economic growth
- Multi-criteria decision making and accounting
- Management and financial accounting and finance in emerging economies

### Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All papers must be submitted online. To submit a paper, please read our Submitting articles page.

### Important Dates

Manuscripts due by: 1 February 2020

Notification to authors: 30 May 2020

- Final versions due by: 30 July, 2020 **Special Issue on APMAA-DOHA 2019: Contemporary Issues in Accounting and Finance in Asia-Pacific and Gulf Cooperation Council**
